Key responsibilities: Youtube API, connecting API searches, and persistent search history.

Github: github.com/clmitchell630/wiki-werks | *App:* clmitchell630.github.io/wiki-werks/

Experience

Assistant Store Manager   2017 - Current
Seward Community Co-op   Minneapolis, MN

Hire and develop facilities staff, support store departments, and direct facilities department goals.

Key accomplishments:
- Optimized labor by reducing cost by 15% while maintaining highest staff survey scores.
- Worked on a team to rethink and restructure store security and how the organization addresses customer behavior in a way that is fair and respectful.

Education

Full-Stack Web Development Bootcamp Certificate
University of Minnesota College of Continuing Education

A 24 week program focused on learning the fundamentals of web development and computer science applied in the MERN stack.
